**Luna Gangleri:**

Script: (Anxious, caring) “I’m actually gonna stay in here for a minute… I think Lillith needs a shoulder to cry on right now…”

(Cautious, thoughtful, shy) “Yeah, so do I. I don’t know if I can say the same for everybody else though… I think you, me, and Ally are the only three out of everyone who actually trusts in them…”

(Worried, panicked) “Candy!? Woah! What happened?! Are you okay?!”

**Maisie Sierra**

(Aggressive, screaming) “APOLOGIZE?! You think that being sorry's enough for us to let you off the hook, huh? Well news flash Ava, it’s not! You left everyone to fucking die!”

(Crying, upset) “*sniff* What do you want..? Can you not see that I want to be alone right now..?”

(Violent, threatening, serious) “Listen, I don’t know what game you locked us in, but I’m not going through anymore deaths! Not again, I swear to fucking god if you do anything even remotely close to harming anyone, I will kill you.”

**Ally Sierra**

(Genuine, nervous, honest) “Look, I appreciate that you’re sorry… I forgive you, but… It’s gonna take a lot for the others to regain your trust, perhaps not everyone, but still… I’m willing to try and help, but even that might not be enough…”

(Confused, in shock) “T-This is just another dream, right…? T-There's no way this is happening right now… Y-You’re not actually here. But… If this is another dream, then… This is just something that’ll happen in the future…?”

(Worried, disgruntled, tired) “Goddamnit! Maisie Sierra, where the hell did you go!?!”

**Lucy Gangleri**

(Reassuring, trying not to sound panicked) “Hey, calm down, she’s gotta be close by, right?”

(Distraught, ranting) “God… this is just getting worse and worse! It hasn’t even been a whole week here and Lillith’s already getting deaththreats!”

(Assuming, confident) “Well think about it! Coral’s body didn’t have any type of lethal wounds, and there wasn’t any blood at all. I think the killer used the tape to make it so she was unable to breathe…”

**Shade Gangleri**

(Pissed off, sarcastic, pained, shouting) “Good job, dumbass. You could’ve fucking killed me!”

(Trying to walk away from conversation, annoyed) “It’s not like that. Now stop talking and get away from me.”

(Intimidating, threatening) “I said shut the fuck up.”

**Lillith Shaika**

(Screaming, out of breath, extremely concerned) “CORAL? CORAL KÄLLA, WHERE ARE YOU?! I KNOW YOU NEVER SLEEP IN, EVER!”

(Tired, bored, annoyed) “Yeah, yeah, I know. But I still find it dumb. I mean, who would even be stupid enough to kill somebody anyway? They wouldn’t even have any reason to! Though, now that I think about…”

(Screaming, about to cry) “W-WHAT THE FUCK?! W-WHY IS SHE SO C-COLD?! W-WHY ISN’T SHE…! S-she… she’s… She’s not dead..! SHE CAN’T BE DEAD! I WON’T G-GO THROUGH THIS WITHOUT HER! I CAN’T-”

**Coral Källa**

*Say something you think would fit*

**Theodosia Luminelle**

(Sheepishly, slightly ashamed, quiet) "O-oh… I'm sorry if I did anything wrong… I just want to help!"

(Excited, full of energy) “Yep! And it's going to be really fun!”

(Blurted out, concerned, confused) "A-Alice? What do you mean?"

**May Copperbottom**

(Loudly, annoyed) “Oi, Theodosia! Is ya joining or not?! Sunt necesare răspunsuri!”

(Loud, annoyed, pushy) “No? We are helping Theodosia get stronger! Acesta era planul!”

(Yelling, confused, annoyed, panicked) "CE NAIBA-"

**Blossom X**

(Lying, reassuring, genuine, friendly) "Listen, Lucy tends to exaggerate a lot about me, but I promise that I don't actually mean to be rude or anything of the sort…"

(Teasingly, happy) "Ooo!~ Someone's gotta crush on the nerd!~"

(Intimidatingly, deranged, cutesy) "Snitches get stitches, BITCH!"

**Daisy Mallory**

(Out of it, tired) "...What did you just say? Sorry, I'm really out of it this morning-"

(Nonchalant, confused) "Eh, you know how life is, one second you're just trying to get some food and then the next thing you know you've fallen into a bush five blocks away from your street... Or is that just me?"

(Annoyed, confused, frustrated) "B-but that isn't even logical! I think... Ugh! WHY DO TRIALS HAVE TO BE SO CONFUSING?-"

**Dixie Dharmapala**

(Curious, willing) “Uhm, do you want me to get Kayla and Squeak? They're both in the other room.”

(Annoyed at self, loud) "I DIDN'T EVEN MEAN IT THIS TIME THOUGH-"

(Defensive, loudly) "Back off! If you know what's good for you then you better go away!"

**Kayla Tanamara**

(Cautious, confused) “Is something wrong? I thought I heard something earlier.”

(Nervous, fearful, hesitant) "Wait... Guys, I think we should get out of here. I'm starting to get that bad feeling again..."

(Scared, confused, shouting) "W-what do you mean she's gone?! What- WHAT DO YOU MEAN SHE'S GONE?!"

**Arra Armstrong**

(Deadpan, annoyed) “Okay... Nobody answered my question before-”

Yelling, worried, trying to be reassuring, scared) "T-THEODOSIA, ALICE, DON'T MOVE! YOU MIGHT GET HURT! I... I'll be fine... Okay..?"

(Yelling, defensive, angry) "WELL SURE I WAS UP, BUT THAT DOESN'T MEAN THAT I WAS AT THE GYM! ARE ANY OF YOU LISTENING TO ME?!"

**Jasmine Flops**

(Willing, positive, genuine) "Of course I would! Say, you want me to carry that for you?"

(Sorrowful, tired) "I miss my pet chinchilla, I just wanna go home... and I'm hungry-"

(Annoyed, confused, nonchalant) "Yeah I know, its- I- Ugh, gimmie a sec... I keep feeling like there's been something in my hair lately but there's nothing every time I check. It's starting to get really annoying-"

**Trixie Dinç**

(Overly honest, giggly) "Well you want to talk to people but you're just too lazy to do so. It's pretty noticeable, lol.

(Nonchalant, jokingly) "Welp, I don't think any of us did this right-"

(Genuine, about to cry) "Daisy, I... T-thank you. Heh... it's funny, I think you're the first person I've ever told that too."

**Myth Moriya**

(Positive, relieved) "And that makes seven! Great, all of them are there! Thank goodness!"

(Shameful, stressed) "Well, I've been keeping watch over the five of them, y'know, after the last two... trials..."

(Yelling, in shock, defensive, upset) "You cannot seriously be accusing a CHILD of murder! That's the most unlikely outcome!"

**Vale Scanagatta**

(Quiet, nervous, shaky) "I'm... I need to go now. This conversation is making me feel weird."

(Annoyed, ranting) "But how were we supposed to know that? All I know is that my ultimate is just to make me upset! I'm TERRIFIED of cats!"

(Screaming, defensive, furious, shaky) "S-SO WHAT IF I WAS THERE OR NOT!? WHERE IS YOUR EVIDENCE THAT I CAUSED THAT TO HAPPEN?! WELL?! ANSWER MY GODDAMN QUESTION!"

**Squeak Madeline**

(Overly positive, enthusiastic, happy) “Nope! Not yet! We're waiting for Marry to get Kayla and Dixie so they don’t get stabbed by sharp shards of glass!”

(Excited, eager, playful) "Maymay! I finally found the Uno cards! Wanna play?!"

(Confused, sorrowful, fearful) "...Is this a bad thing? I... I don't wanna play anymore, I... I want to go home... I want to go home!"

**Kia Cruorem**

(Annoyed, tired) "Oh great, what do you want now? Can't you see that I'm exhausted-"

(Tired, genuine) "Hehe, thanks Ollie. I really needed coffee today, lol."

(Pissed off, annoyed) "Oh my god, do you ever shut up? Jeez, I swear that you are actually giving me a headache! Shut up and stop arguing with each other."

**Ollie Clemens**

(Apologetic, frantic, friendly) "Oh jeez! I-I'm sorry 'bout that! You need any help with that Marry?"

(Anxious, stressed, overwhelmed) "I don't know... But these things just always tend to make me anxious. Especially with, well, you know..."

(In shock, fearful, feeling bad) "Dear god... I... I can't even imagine how painful that could be... I-I hope that her death was instant if that's the case..."

**Candy Espíritu**

(Dazed, in shock, shaky) “Ghost... There is a ghost in this place.”

(Nervous, intimidating, empty) "I can sense that you're following me, and I recommend you to stop doing so now... Well? ... I SAID LEAVE ME ALONE! I- ... Oh... nobody's there..."

(Screaming, angry, defensive, overwhelmed) "SHUT UP. SHUT UP. SHUT UP. ALL OF YOU SHUT THE FUCK UP! WHY AM I THE ONE BEING BLAMMED FOR THIS?! AS IF I WOULD EVER HURT TWO CHARACTERS HERE THAT HAVE DONE NOTHING TO MAKE ME UPSET OR CAUSE ME TO WANT TO HARM THEM IN ANYWAY POSSIBLE. YOU ALL DISGUST ME! TAKE YOUR DAMNNED ACCUSATIONS AND FORCE THEM UPON SOMEBODY ELSE."

**Meno Awan**

(Caring, worried, nonchalant) “Candy, hey! Why’d you run off like that? Are you scared again?”

(Thankful) “Well I’m going to go and find Candy, thanks for keeping an eye out for her!”

(Worried, suggesting, genuine, caring) “Yeah... Candy, I think maybe you should go lie down in your room, okay?”

**Ika Quade**

(Pissed off, tired, upset, annoyed) "Tch, I think this entire thing is a waste of time! I the right to leave this hell, so listen to me AND LET ME OUT!"

(Annoyed, shouting, done with everything) "BlooDY HELL... ZEEK SHUT YOUR DAMN MOUTH UP, I WASN'T ASKING WHAT YOUR OPINION WAS-"

(Defensively, pissed off, yelling) "What I said?! OI, DUMBASS, THIS IS ABOUT WHAT YOU SAID! DON'T INVOLVE ME IN THIS SHIT!"

**Zeek Angelic**

(Friendly, upbeat) “W-well my name's Zeek Angelic! Me and Magnolia are twins!”

(Reassuring, hopeful, genuine, anxious) "Magnolia just take a deep breath, alright? I'm sure shes gotta be around here somewhere... I hope..."

(Sympathetic, shaky, genuine) "Hey, it's okay, alright? It wasn't your fault after all, right? ... Regardless, you shouldn't blame yourself for the murder she committed."

**Magnolia Angelic**

(Sarcastic, jokingly)“God, you’re awful at talking to people, Zee! Even trying at 100% gets you nowhere! Haha!”

(Annoyed, tired, loving) "Oh Basil, darling, you know how much I love dragging you around just to wake you up, BUT I HARDLY THINK THAT NOW IS THE TIME FOR THAT-"

(Annoyed, stressed, genuine) "Zee, I love you, but please, stop talking, I'm trying to understand these instructions."

**BoSlay**

(Weird, flirtatious(?))“Heyyyy, you look cool.”

(Annoyed, loud) "DAMN! I genuinely think this motive is the worst one so far. THIS FRICKIN' SUCKS-"

(Overly excited, confident, shouting, laughing) "YOU JUST RATTED YOURSELF OUT! HAH! GUYS, I SINGLEHANDEDLY JUST SOLVED WHO THE BLACKENED IS IN THE FIRST NINE MINUTES OF THE TRIAL, LMAO-"

**Tori Röfn**

(Nervous, apologetic, shy) "Uhm, my apologies. I didn't mean to upset you! I-I'll just go... I'm sorry!"

(Overwhelmed, shouting, about to cry) "...I don't like this... I don't want this... I'VE NEVER ASKED FOR ANY OF THIS! Why does the very essence of life itself seem to hate me so much... Why is it so cruel?! Why..."

(Quiet, joking, light-hearted) "I do kind of find it ironic though, that hell is better than this place, and that's saying something 'cause I hate living in Hell! *giggles*"

**Penelope Mahiva**

(Cheerful, positive, informative) "Awwww! That's such a sweet story! I wish I had stories like that. But unfortunately not a lot of fun stuff happens in Hell."

(Nonchalant, positive, giggling) "It actually tastes really good! It's just weird for me to stuff like this, where I come from the only thing us Hell-borne's ever ate was flesh, hahaha!"

(Worried, confused) "That's despicable though! Why would anyone ever decide to use weaponry that dangerous when you're extremely tired?! That's just a bloodbath waiting to happen!"

**Tori Röfn**

(Nervous, apologetic, shy) "Uhm, my apologies. I didn't mean to upset you! I-I'll just go... I'm sorry!"

(Overwhelmed, shouting, about to cry) "...I don't like this... I don't want this... I'VE NEVER ASKED FOR ANY OF THIS! Why does the very essence of life itself seem to hate me so much... Why is it so cruel?! Why..."

**Jackie Gabena**

(Nonchalant, friendly) “Hehe, sounds like we got each other’s prizes in a way, you wanna trade?”

(Friendly, confused) "Oh, uh, hello? S-sorry! I just wasn't expecting company is all."

(Curious, genuine, serious) "Wait… Rei, care to explain what about Ava was so different after she got her disease? Compared to how she is right now, what made her so different?"

**Hazel Panzer**

(Positive, confused) “Ooo, that’s not a bad win either! At least it’s better than a freaking ball of yarn- I don’t even know how to knit or sew or whatever it’s called!”

(In awe, friendly, curious) “Woah, you’re a performer?! That’s really cool! What kind of dancing do you do?”

(Anxious, fearful) "So… You did it, is what you're saying?"

**Vanna**

(Energetic, jokingly) “It’s a good thing we got the day off from work! Unless if this is NG’s doing, cuz I can see him doing something like this in all honesty.”

(Curious, confused) “Hey, Rosie? You don’t happen to have a twin sister, do ya? Cuz she looks just like you!”

(Cutesy, giggling, serious, eerie) "Do you believe you are above consequences? *giggles* Cuz I'll have you know ma'am that you need to stop! After all, I don't want anything bad to happen…"

**Rosèmaria**

(Shy, friendly, helpful) “A-alright, well, m-my name is Rosèmaria, and if I may… perhaps we could go in order? That way we all know when to introduce ourselves.”

(Nonchalant, hopeful) “I just hope we’re allowed to leave soon; I have flute practice at 3:15.”

(Stressed, overwhelmed, disheartened) "But… It's just so much pressure! I don't know what to do…"

**Rosèmaria #2**

(Coldly) “I don’t have anything to say…”

(Yelling, fight back, aggressive, fearful, pleading) “I AM NOT GOING IN THERE. PLEASE LET ME GO. I’M WARNING YOU, PLEASE!?”

(Uninterested, cold, unhappy) "…I don't think it's a good idea for me to talk to you…"

**Völva Miseria**

(Nervous, quiet) "I... I suppose that'd work. I don't know what to do in situations like this really..."

(Genuinely, proper, anxious) "I didn't witness it exactly, it was more of a double-take. In a way I kinda thought it was just my imagination."

(Protective, unhappy, soft) "I don't mean to speak out of turn, but I'd appreciate if you stopped talking to Calypso like that."

**Calypso Mandolin**

(Positive, excited) "Awwwe! Come on Völvy! You should try it! It's not that difficult, in fact, I could even teach you!"

(Nonchalant, sympathetic) "Yeahhhhh, I understand what you mean by missing what you're used too... I miss the beach and the clan a lot..."

(Curious, eager, genuine, helpful, caring)"Hey! You need a hand over here? O-Oh! May! How are you doing? You doing alright?"

**Karma Antoinette**

(Nonchalant, annoyed, light-hearted) “Hey, don’t sass me kid. I know I may not look the part, but I’m a whole lot stronger than you think.”

(Loud, concerned) "OH MY GOD! HAZEL ARE YOU OKAY?! WHAT EVEN HAPPENED?!"

(Excited, positive, awkward, passionate) "After all, nothing is better than crushing your enemies in battle! ... Not that I like battling in general, but you get it, right?-"

**Lynx Otoka**

(Genuine, friendly, quiet, apologetic) "Ah, s-sorry about that ma'am, are you alright? That was my fault, my apologies!"

(Caring, curious, trying to help) "Hey Sphinx, are you feeling okay? You don't look very well, not that I'm saying that to be rude or anything, do you need to go lie down?"

(Sorrowful, hesitant, cautious, quiet) "But... but that can't be it. I don't understand how any of the evidence points to her being the killer? As much as I hate to say it, is it too much to say that we could possibly be wrong?"

**Sphinx Winta**

(Loud, excited) "EEEEEEK! Lynx! LYNX! You need to see this! THIS IS AWESOME!!!!"

(Jokingly, light-hearted, friendly) "Awe man! I really thought that I'd be able to tell that from here- Maybe my mom was right when she said that I need to wear glasses-"

(Tired, stressed, overwhelmed, guilty, shameful, genuine) "...L-listen... I know that my alibi is wonky and seems unbelievable, but I do mean it when I say that I don't want anyone else to die here... I've never wanted anyone to die... I... I never asked to be in this position..."

**Alice Mercer**

(Startled, fearful, talking fast) “I-I’m sorry I don’t mean to start f-freaking out..! I-I just can’t deal with dead bodies very well... I-I’ve witnessed too many deaths and close calls where I’m from... (And with what me and my friends do...).”

(Anxious, positive, passionate) “I’m not gonna say for safety reasons but I basically have a part time job, protecting the town I live in. It can get really dangerous... I-I’ve actually... died because of it once before...”

(Overly positive, telling a story) “Oh! That’s a very long story, but I can give you the short version I suppose! So there used to be this huge town event that was held every year, and me, my brother, and some... friends... would participate every year. We actually held a winning streak for four years in a row!"

**Gypsy Dearest**

(Friendly, nonchalant, genuine) “You’re Marry, right? I’m Gypsy, one of Summer’s friends. Gypsy Dearest.”

(Hopeful, caringly) “Summer’s strong, she’s good at dealing with tough situations. I have faith in her. As long as we all get through this together we should be fine.”

(Slightly guilty, tired, friendly) “I honestly forgot by accident, I’m not used to waking up at 6:00 in the morning every morning. I was too tired to pay any attention-”

**Bix Hatsune**

(Slightly annoyed, confident, energetic) “G, you worry too much about Summer, she’s still smiling, isn’t she? I’m sure she’s perfectly fine.”

(Loud, joke-arguing) “What?! You guys are just overreacting! Summer’s gonna be fine, she always is!”

(Screaming, angry, extremely defensive) "BUT HE DIDN'T DO IT! ALRIGHT?! BESIDE, HE ISN'T THE ONLY ONE AT FAULT HERE. ME AND GYPSY BOTH HAVE OUR ALIBIES THAT HAVE

CLEARED US FOR BEING THE KILLER, BUT SUMMER WAS THERE TOO! NOW SHUT UP, ALL OF YOU!"

**Piko Nabin**

(Nonchalant, curious) “Yo! Summer! We’re going to the cafeteria to get snacks, you wanna come?”

(In shock, pissed, yelling) "B-BIX! YOU CAN'T JUST BLAME ONE OF YOUR BEST FRIENDS FOR MURDER! WHAT THE FUCK!?"

(Confused, genuine) "Well that was the odd thing… I know that me and Summer found the body, but neither of us know who the third person was. So the both of us are just confused."

**Bell Cypher**

(Excited, casually) “A body has been discovered! Come join us near the dormitories so we can begin our first investigation!~”

(Teasing, annoyed, sharp) “Hey, they’re fine, are they not? Be glad that I kept the both of you alive, I was honestly considering to just kill ya both the second you guys woke up, but I decided to take a page out of Ally’s book and show you both some mercy!”

(Teasing, intimidating, snarky, menacing) “I can’t let you out of here! Nope! Unless you wanna try killing somebody and winning a trial, but let's be honest, you would never survive something like that with how dumb you are. You should know that better than anyone else, right? Miss Ultimate Liar?~”
