Audio Concept Sides

Squad Leader

Line 1: (Start low and threatening. Then open up to angry pride) You lay a hand on me again, and this ain't gonna end well for ya. I was thinkin' 'bout all the lives we just saved!

Line 2: (Start with a scoff. You really can't believe this is even a conversation right now) Let ‘em. We're the only reason the Autobots even got a foot in the game. So, see how far they get without bots like me. Like him. And when the galaxy falls because some do-nothin’ bot pleasers are afraid to see a little spilled Energon, don’t come cryin' to me.

Line 3: (Low, cold, prideful, and dismissive. You've been told to respect the Autobot badge) I assure you, sir. I have nothing but respect.

Central Protagonist

Line 1: (strong, seething, and hateful, but on the verge of death) D-Don't say her name!

Line 2: (Cold, hateful, and determined. You're speaking to your own brother) I told you. I *swore* vengeance. And no one will stand in my way. Not even *you.*

Line 3: (Speaking to your brother. Echoing his squad leader. Very direct) You touch me again and this won't end well for you.
