

JUNIOR COP

21 INT. PRISON CELL - MOMENTS LATER 21

Sanchez THROWS Angel into a lonely cell and strides away
boastfully. Angel RUSHES the door.

ANGEL

The k*ll*r is at my house with my
best friend! YOU GOTTA LISTEN TO

ME!

Angel, unheard, PACES his cell. Talks to himself:

ANGEL (CONT'D)

Samantha's plan is to k*ll Shorty.

HE FLASHES TO EPISODE 12: Samantha WINKS evilly at Angel.

SAMANTHA

I'll tell Shorty you said hello.

ANGEL

If I get out of jail and try to
stop her, she'll frame me for the
murder. If I stay in here, I have an alibi. Sh*t!

Angel sinks onto the hard floor and CRIES. Helpless. Beat.

ANGEL (CONT'D)

(an epiphany)

Unless...

HE FLASHES TO EPISODE 7: Angel READS A TEXT from the k*ll*r:

Keep investigating Mia's murder, and MORE people will die.

ANGEL (CONT'D)

She wants me to give up.

Angel covers his face with his hands. Lost.

Just then: the SOUND of the JAIL CELL OPENING. Junior Cop

dangles the key ring from her finger.

JUNIOR COP

Might wanna buy a lotto ticket.

(off Angel's look)

Someone bailed you out, after all.

ANGEL

Did they give you their name?

JUNIOR COP

(shrugs no, then)

Just an anonymous woman.

CLOSE ON: confusion, fear, in ANGEL'S EYES, as:

ANGEL (V.O.)

They want me out. The k*ll*r paid my bail.

EPISODE 17 (LOOP #4B)

ANGEL

Can you tell me who it was?

JUNIOR COP

All I know? She demanded we release you immediately. And she said you
can trust her.

She hands a shocked Angel the evidence bag with his phone.

ANGEL

I'm starting to think trust and
loyalty are two ways to get k*ll*d.

Detective Sanchez arrives, sarcastically APPLAUDING. INMATES
(who we'll recognize from Episode 5) watch from behind bars.

DETECTIVE SANCHEZ

Don't worry: I'll bury you under
the jail soon. Rumor has it, Judge
is signing the indictment tomorrow.

He SLAPS the empty plastic evidence bag into Sanchez's hand.

ANGEL

'Til then: take out my trash, pal.

Inmates CHEER and BANG THE BARS, celebrating Angel as he

leaves an embarrassed Sanchez behind. Sanchez wants to LUNGE
for Angel, but Junior Cop HOLDS HIM BACK--

JUNIOR COP

Cool off, Sanchez!

DETECTIVE SANCHEZ

Ten years on the force, with no
promotion! I need this conviction!

Junior Cop finally looks at him defiantly.

JUNIOR COP

Even if it means violating every
due process procedure we have? You
pull that sh*t again, I report you.

Sanchez SLAPS the wall, pissed. An Inmate FLIPS *FF Sanchez.
